Watching BT Sport on your phone?

With a friend?

(DESCRIPTION)

Someone joins him.

(TEXT ON SCREEN)

Two friends?

(DESCRIPTION)

Another person joins in.

(TEXT ON SCREEN)

Now you're just being silly.

(DESCRIPTION)

A whole crowd of people join in, the man struggles to hold his phone high enough for everyone to see.

(TEXT ON SCREEN)

Arm getting tired yet?

Here's a thought... why not cast it?

(DESCRIPTION)

The man raises his eyebrow curiously.

(TEXT ON SCREEN)

If you've got Apple TV, a Smart TV or any casting device.

Connect it and your phone to your home Wi-Fi, look for the casting icon in the BT Sport App and get the small screen... on the big screen.

(DESCRIPTION)

A phone is shown sending video to an Apple TV/TV/casting device. The casting icon is highlighted in the BT Sport App.

(TEXT ON SCREEN)

Or download the app on your Xbox and watch great sporting moments without risking arm strain.

(DESCRIPTION)

The man is shown with his arm bandaged.
